6 With a view to see that all the Rural Councils newly constituted might start ~~them~~ work from 1st July 1918, even though it might take sometime for the election to be held and notified, the Collectors of Districts were requested to submit their recommendations individually in the prescribed form for filling up the Nominated seats on every Council with due regard to the interests of every Community and every Section within the area and instructions were issued for making Nominations. Sir,

With reference to your memo No. L.5295 dated 9th January 192 and in continuation of this office No. H.C.305/23-24 dated 21-1-1924 re the reconstitution of Devanahalli Municipal Council from 10th February 1924 I have the honor to state that in accordance with the Representative Assembly Regulation (Regulation XVIII of 1923) and the rules framed thereunder it is the urban area and not the municipal council that is given the privilege of returning a member to the Representative Assembly As such, even without the nominated members (appointed under section 10 (1) (b) (i) by name) the Amildar Devanahalli taluk may administer the municipality if the Government have no objection under section 23 7 (a) of Regulation of 1923 till all the elected members and ominated members take their seats on the council. Moreover the nominations without knowing the results of elections, may be a leap in the dark..

In accordance with the precedence of 1918 when the minor municipal councils came into existence, I however submit a list of - candiddates to be nominated under section 10 (1) (b) (i) of the Mysore Municipal Regulation.

A statement showing the population of the Devanahalli town castewar is also herein enclosed The President Devanahalli municipal council reports that it is expected that the marginally noted communities will be available for representation on the council
